Procedures for Appealing Suspension of Financial Aid

If you are on financial aid suspension due to failing to meet the GPA and credit hour requirements or exceeding the maximum number of cumulative hours, you may appeal the suspension by following the procedures outlined below.

- Go to ULink. Click on Student tab. Click on Financial Aid

- The screen will say you are on Financial Aid Suspension and what you can do to receive financial aid. If your records do not yet show that you are on suspension, you may submit your appeal to Lee Hall 115.

- Mail only supporting documentation, (medical statement, a death certificate and/or obituary notice, etc.), if needed to verify your circumstances to: Financial Aid Appeals Committee, P. O. Box 41650, Lafayette, LA  70504.

- Appeal letters may not be submitted on-line if there are HOLDs against your record affecting registration and/or if you are on Academic Suspension.

- Your case will be reviewed in accordance with the process authorized by the Financial Aid Appeals Committee. You will receive the results of your appeal by University email only.

If there has not been a ruling on your appeal before the first day of class, you will be held personally liable for all charges incurred. If the appeal for financial aid is denied, the charges will NOT be cancelled.
