

**UL LAFAYETTE - SLCC**  
**COURSE EVALUATION INDEX**  
**2009-2010 YEAR**

NOTE: The equivalencies contained in this index represent the best efforts of the two institutions to establish "course content equivalency." Students should note that UL Lafayette limits to 62 credit hours (or 50% of degree total) the number of transfer credits from a community or junior college that can be applied to a baccalaureate degree. Students should be aware that there are problems in some instances in establishing "level equivalency," particularly in view of the UL LAFAYETTE graduation requirement of a minimum of 45 semester hours in junior- and senior-level courses as well as requirements of some accrediting agencies.

**For an \* by a 300 or 400 level UL LAFAYETTE course, please note the following:**

All students are required to complete at least 45 semester hours in advanced level courses, i.e., 300-400 level. UL LAFAYETTE will recognize course credits from regionally accredited two/four-year institutions at the level at which they were taught at the credit-granting institution. In the case of course-level differences between two and four-year institutions, UL LAFAYETTE accepts those listed in this document as equivalent (the student does not have to repeat the content), but UL LAFAYETTE does not count these credits as part of the 45 hour upper-level requirement in all degrees. **Note:** The Dean may substitute up to six semester hours of transfer credit at the lower level for six semester hours of advanced level credits in fulfilling the 45 hour requirement.

<sup>1</sup> The department will require a portfolio of work for evaluation of department course equivalency. The UL Lafayette VIAR department must verify course equivalency. Contact Ms. Chyrl Savoy at 337-482-6056 or email [chyrl@louisiana.edu](mailto:chyrl@louisiana.edu).

<sup>2</sup> Only 6 hrs. of CAFS electives apply to degree.

<sup>3</sup> Acceptable only in the Elementary Education curriculum. All others must take Math 105.

<sup>4</sup> Students must complete both MATH 1105 & 1110 at SLCC to receive credit for MATH 140 at UL Lafayette.

<sup>5</sup> Beginning Spring 2010, students must complete both ACCT 2101 and 2102 to receive credit for ACCT 201 at UL Lafayette.

<sup>†</sup> Only accepted if student does not need to BIOL 318 at UL Lafayette.

\* Acceptable as content equivalent but not as a 300-level course.
