

**ARTICULATION AGREEMENT
BETWEEN
UNIVERSITY OF LOUISIANA AT LAFAYETTE
COLLEGE OF ENGINEERING
AND
SOUTH LOUISIANA COMMUNITY COLLEGE**

This Articulation Agreement (“AGREEMENT”) is made and entered into by and between University of Louisiana at Lafayette (“UL Lafayette”) and South Louisiana Community College (“SLCC”) to facilitate a transfer pathway between the two institutions.

A. Transfer Pathway:

1. This Affiliation shall facilitate a transfer pathway which will allow students to complete a Bachelor of Science in Chemical, Civil, Electrical and Computer, Mechanical, or Petroleum Engineering at UL Lafayette and transfer all credit hours designated in *Appendices A, B, C, D, or E* to UL Lafayette for completion of the Bachelor of Science in Chemical, Civil, Electrical and Computer, Mechanical, or Petroleum Engineering.
2. Students transferring to UL Lafayette shall be eligible to pursue a Bachelor of Science in Chemical, Civil, Electrical and Computer, Mechanical, or Petroleum Engineering degree.
3. Students transferring from SLCC to UL Lafayette may complete the remaining credits for Chemical, Civil, Electrical and Computer, Mechanical, or Petroleum Engineering Degree course work at UL Lafayette.
4. Pursuant to this AGREEMENT, SLCC and UL Lafayette shall serve the needs of their respective constituencies in a responsive manner, prepare their students to become productive members of society, and seek to promote the academic development and improvement in the quality of life of citizens in their regions.

B. Mutual Benefits to the Parties:

1. After having earned credit toward the Associate of General Studies Pre-Engineering Concentration at SLCC or credit identified in *Appendices A, B, C, D, or E*, SLCC students will have the opportunity to transfer into the Chemical, Civil, Electrical and Computer, Mechanical, or Petroleum Engineering Program. Subject to UL Lafayette transfer credit policies, UL Lafayette will accept SLCC credits of students transferring into the Bachelor of Science in Chemical, Civil, Electrical and Computer, Mechanical, or Petroleum Engineering Degree Program.
2. UL Lafayette will have the opportunity to admit into its Bachelor of Science in Chemical, Civil, Electrical and Computer, Mechanical, or Petroleum Engineering Degree Program well-prepared students who have taken foundational course work in the Associate of General Studies Pre-Engineering Concentration or obtained credit hours designated in *Appendices A, B, C, D, or E*.
3. SLCC and UL Lafayette have full-time faculty with advanced academic and professional credentials, as well as support resources (i.e., library, internet access, and adequate administrative, faculty, and staff support).

C. Transfer Eligibility:

1. SLCC students who intend to transfer to UL Lafayette to pursue the Bachelor of Science in Chemical, Civil, Electrical and Computer, Mechanical, or Petroleum Engineering Degree Program shall sign the *Intent to Transfer* form. The *Intent to Transfer* form must be signed by the SLCC Advisor to be considered valid. The *Intent to Transfer* form will be accessible on SLCC and UL Lafayette’s webpages.

2. All coursework completed at SLCC must meet UL Lafayette minimum grade requirements as set forth in *Appendices A, B, C, D, and E*.
3. In order to transfer into UL Lafayette's Bachelor of Science in Chemical, Civil, Electrical and Computer, Mechanical or, Petroleum Engineering Degree Program, all UL Lafayette-mandated admission requirements for transfer students must be met by SLCC students and students completing courses in *Appendices A, B, C, D, or E*. UL Lafayette admission requirements include:
 - i. An earned Associate of General Studies Pre-Engineering, or
 - ii. An overall grade point average of 2.25 or higher (excluding developmental/remedial courses).

D. SLCC Responsibilities. SLCC agrees to:

1. Provide academic advising to SLCC students in the Associate of General Studies Pre-Engineering Concentration who plan to transfer into UL Lafayette's Bachelor of Science in Chemical, Civil, Electrical and Computer, Mechanical, or Petroleum Engineering Degree Program, according to the course equivalencies stated in *Appendices A, B, C, D, or E*.
2. Provide SLCC students with the opportunity to earn the SLCC credit hours as listed in *Appendices A, B, C, D, or E*.
3. Provide assistance to SLCC students transferring into UL Lafayette's Bachelor of Science in Chemical, Civil, Electrical and Computer, Mechanical, or Petroleum Engineering Degree Program in completing the Application for Admission to UL Lafayette, in order to successfully enroll in the Bachelor of Science in Chemical, Civil, Electrical and Computer, Mechanical, or Petroleum Engineering Degree Program.
4. Provide information about this AGREEMENT in the SLCC General Catalog.
5. Market the transfer pathway provided for in this AGREEMENT on SLCC's website.

E. UL Lafayette Responsibilities. UL Lafayette agrees to:

1. Receive and maintain *Intent to Transfer* forms from SLCC students at the time of application for admission into UL Lafayette.
2. Honor the current UL Lafayette published academic catalog in effect on the date the *Intent to Transfer* form is signed by the SLCC Advisor.
3. Accept SLCC courses as listed in *Appendices A, B, C, D, and E* including credit earned through advanced placement and ACT.
4. Provide information about this AGREEMENT on the UL Lafayette Academic Affairs and College of Engineering webpages.
5. Market the transfer pathway provided for in this AGREEMENT.

F. Mutual Responsibilities. UL Lafayette and SLCC agree to the following terms:

1. UL Lafayette may accept up to, but no more than, sixty (64) credit hours from an SLCC student to be used towards said student's completion of the Bachelor of Science in Chemical, Civil, Electrical and Computer, Mechanical, or Petroleum Engineering Degree Program.

2. The transferring SLCC student's remaining credit hours will be taken at UL Lafayette in order to complete the one hundred and twenty plus (120+) credit hour Bachelor of Science in Chemical, Civil, Electrical and Computer, Mechanical, or Petroleum Engineering Degree Program.
3. This AGREEMENT shall only apply to:
 - a. SLCC students seeking the Associate of General Studies Pre-Engineering Concentration and transferring into UL Lafayette's Bachelor of Science in Chemical, Civil, Electrical and Computer, Mechanical, or Petroleum Engineering Degree Program who have completed and signed, along with the SLCC Advisor, the *Intent to Transfer* form; and
 - b. SLCC students **not** seeking the Associate of General Studies Pre-Engineering Concentration, but who have earned the SLCC credit hours as listed in *Appendices A, B, C, D, or E* who desire to transfer into UL Lafayette's Bachelor of Science in Chemical, Civil, Electrical and Computer, Mechanical, or Petroleum Engineering Degree Program, and who have completed and signed, along with the SLCC Advisor, the *Intent to Transfer* form.
4. No new materials or curricula have been developed pursuant to this AGREEMENT.
5. In accordance with this AGREEMENT, SLCC and UL Lafayette agree to work together to maintain this relationship, its efficiency, and its quality of instruction, and to adapt to curricula changes on a reciprocal basis.
6. UL Lafayette will collect, and SLCC may request, information through UL Lafayette's Office of Institutional Research, including data relative to enrollment, performance, and graduation rates for SLCC Associate of General Studies Pre-Engineering Concentration students who have transferred into the UL Lafayette Bachelor of Science in Chemical, Civil, Electrical and Computer, Mechanical or Petroleum Engineering Degree Program. Both parties will use this information to identify areas in need of improvement.
7. Relevant personnel at SLCC (Dean of STEM, Transportation and Energy, or their designee) and UL Lafayette (Dean of the College of Engineering, Academic Affairs/Academic Programs, or their designees) will meet annually to discuss the overall progress of this AGREEMENT, student performance, and any changes in curricula.

G. Notice. Any written notice required or permitted by this AGREEMENT shall be deemed given when mailed by Certified Mail, postage prepaid, return receipts, or placed for delivery with a reputable overnight courier or delivery service, to the parties at the following addresses

SLCC:

Attn: Dr. Darcee Bex, Dean, STEM, Transportation & Energy
South Louisiana Community College
Lafayette Campus, Ardoin Building
1101 Bertrand Dr.
Lafayette, LA 70506

UL Lafayette:

Attn: Dr. Ahmed Khattab, Dean, College of Engineering
University of Louisiana at Lafayette
Madison Hall, Room 106
P.O. Box 43597
Lafayette, LA 70504
P: 337.482.6166
E: ahmed.khattab@louisiana.edu

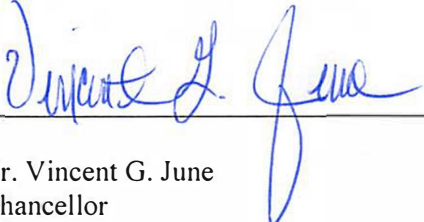

H. Additional Terms:

1. The term of this AGREEMENT is for a period of five (5) years, commencing on August 23, 2021 (“Effective Date”). Either party may terminate the AGREEMENT at any time without cause by giving written notice no later than at the end of the semester of the notification. In the event this AGREEMENT is terminated, SLCC students who have been accepted by UL Lafayette into the Bachelor of Science in Chemical, Civil, Electrical and Computer, Mechanical, or Petroleum Engineering Degree Program and who have presented to UL Lafayette *Intent to Transfer* forms signed by the SLCC Advisor will be allowed to progress through the curriculum and complete the Bachelor of Science in Chemical, Civil, Electrical and Computer, Mechanical, or Petroleum Engineering Degree Program according to the terms of this AGREEMENT.
2. If this AGREEMENT is renewed, such renewal may only be evidenced in writing signed by authorized officials of SLCC and UL Lafayette.
3. Any alteration, variation, modification, or waiver of provisions of this AGREEMENT shall be valid only when it has been reduced to writing and executed by authorized officials of both parties.
4. No failure by either party hereto at any time to give notice of any breach by the other party of, or to require compliance with, any condition or provision of this AGREEMENT shall be deemed a waiver of similar or dissimilar provisions or conditions at the same or at any prior or subsequent time.
5. If any term or condition of this AGREEMENT or the application thereof is held invalid, such invalidity shall not affect other terms, conditions, or applications which can be given effect without the invalid term, condition, or application; to this end the terms and conditions of this AGREEMENT are declared severable.
6. This AGREEMENT, together with the exhibits attached hereto, contains the entire agreement between the parties with respect to the subject of this AGREEMENT and contains all of the terms and conditions agreed upon with respect to the subject of this AGREEMENT, and no other agreements, oral or otherwise, regarding the subject matter of this AGREEMENT shall be deemed to exist or to bind the parties; it being the intent of the parties that neither shall be bound by any term, condition, or representations not herein written.
7. This Agreement may be executed in one or more counterparts, each of which individually shall be deemed original but all of which together shall constitute one and the same document. An electronic (e.g., Portable Document Format or PDF) copy of the original signature of the representative of a Party shall have the same validity as an original signature for the purpose of this Agreement. In accordance with La. R.S. § 9:2605B(1) and (2), the parties hereto each agree that this transaction may be conducted by electronic means; and electronic signatures of the parties to this Agreement shall be acceptable and satisfactory for all legal purposes, as authorized by the Louisiana Uniform Electronic Transactions Act, La. R.S. § 9:2601 through 9:2621.

This AGREEMENT has been executed by the undersigned duly authorized representatives on the dates indicated below.
